Rock n Roll Sushi

Carlsbad

Minneapolis

We love sushi, just like you. And like most people, we don't have the time or the money to eat it as often as we'd like to at conventional sushi restaurants. That is where the concept for Rock 'n Roll Sushi was born:

Premium quality sushi designed for take-out and delivery as much as for dine-in. All this for a substantially lower price than at full-service restaurants. We accomplish this by lowering both overhead costs and profit margins and pass the savings on to you, the customer.

With the value and quality of food we're offering, we know you'll

Rock 'n Roll again and again.
